PROGRAMME OF ACTIVITIES OF THE INSTITUTE:

Update Of The Conferment Of An Honourary Fellowship On The Honourable Minister Of State Commerce And Industry

The Ministers office be notified officially of the institutes desire with the conferment on a date and time convenient for the Minister. Wednesday the 15th of September 2010, was suggested for the conferment. The presence of the press was to be the Minister's prerogative.

NEPZA VISIT

Wednesday the 15th of September 2010 will be a follow up visit to the MD of NEPZA.

BUREAU OF PUBLIC PROCUREMENT(BPP)

It was a very interesting experience the BPP stakeholder's workshop held earlier of which Engrs. Anyaeji, Iwuendu and Mbeledede participated. Unfortunately the Institute did not have any official presentation at the workshop. The Secretary and the other engineers that represented the Institute at the workshop were assigned different packages to present. In light of this the IACE officials will pay a visit to the DG of BPP on the 21st of September 2010 at 2pm

OVERTURES TO Manufacturers Association Of Nigeria

The Chairman advised the house to get in touch with the President of M.A.N to get him and his organization involved in the activities of the Institute.

PETROLEUM MINISTER

The Vice Chairman reiterated the importance of contacting the Petroleum Minister as soon as possible.

Nigerian Society Of Engineers (NSE) VISIT

The IACE officials intend to pay a visit to the NSE President. The visit was geared to discuss matters relating to our engineering division.

GOOGLE GROUP

The Institutes has created a google group i.e iace-nig@googlegroups.com. In order to foster the interaction and exchange of ideas and information between among the members.

STANDARDS ORGANIZATION OF NIGERIA(SON)

The Institute is finalizing that the almost completed IACE principles and code of ethics be forwarded to SON as well to the relevant NSE Committee so a standard can be perfected in our fields.
